# Zhongtian New Energy Storage System

## Overview

Jiangsu Zhongtian Technology Co. (ZTT) introduced its innovative ENERGRID NA7 liquid-cooled energy storage system at the 13th Energy Storage International Conference and Expo (ESIE2025) held in Beijing in April 2025. The system, with a storage capacity of 7. 58 MWh, marks a significant. Zhongtian Energy Storage is a cutting-edge solution designed to enhance energy efficiency and reliability across various sectors. Cummins to invest US 1 billion across U.

## Zhongtian New Energy Storage System

### Zhongtian New Energy Storage Project

The installed energy storage capacity of Zhongtian Technology is **1.5 Gigawatts (GW) across various projects, primarily focusing on **battery energy storage systems (BESS),
