

10000w power inverter factory in Uk

Overview

High-quality 10000W inverters at Sunover Power Co., built for durability and efficiency. 10000W 48V pure sine wave inverter with integrated dual-input high-voltage 100A MPPT solar controller, 150A mains battery charger, inbuilt Wi-Fi monitoring and LCD display - ideal for off-grid applications or remote areas without access to a constant, uninterrupted power supply. As a B2B purchaser, you deserve a manufacturer committed to quality and service. Requires the SolarEdge Backup Interface (SE-SBI-1PH) for the Backup function to work. (The inverter can work without the Backup interface) 12-25 Year Warranty, see 'Other Parts' section below Backup Interface update for UK: With a TN-C-S supply and the SolarEdge Backup Interface, you MUST install. The SolarEdge 10,000W Home Wave Inverter - Single Phase is a high-quality, reliable inverter designed for residential solar energy systems. With a manufacturer's part code of SE-10000H-NET, this inverter is perfect for homeowners looking to maximize their solar energy production and savings. High-definition LCD screen showing solar capacity.
