

30kW Lithium Battery Energy Storage Cabinet for Photovoltaic Power Stations

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

Overview

This 30kW all-in-one commercial and industrial energy storage system integrates lithium batteries, inverter, and intelligent energy management into a single compact unit for stable, reliable operation. 2 kWh/ 60 kWh/107 kWh
Cooling Way: air cooling Warranty: 60-month warranty from the delivery date
Certifications: CE, FCC, UN38. The Commercial & Industrial 30kW 54. 2kWh
Battery Energy Storage System is a high-performance. 30 kW Max.
Charging/Discharging Current Max. Charging/Discharging Current AlphaESS is able to provide outdoor battery cabinet solutions that are stable and flexible for the requirements of all our customer's battery and energy storage.

30kW Lithium Battery Energy Storage Cabinet for Photovoltaic Power

30kW All-in-One Commercial & Industrial Energy Storage System

This 30kW all-in-one commercial and industrial energy storage system integrates lithium batteries, inverter, and intelligent energy management into a single compact unit for stable, reliable operation.
