

39 photovoltaic solar panels

Overview

All you need to know about the F275KXC-39 solar panel including rating, cost, efficiency, and warranty terms. [Privacy Policy](#) This product is not currently quoted on EnergySage. Want a custom solar estimate for your home?

Try our Solar Calculator. To. Average price of solar modules, expressed in US dollars per watt, adjusted for inflation. Data source: IRENA (2025); Nemet (2009); Farmer and Lafond (2016) - Learn more about this data Note: Costs are expressed in constant 2024 US\$ per watt. Manufactured on farms or in facilities that protect the rights and/or health of workers. Homeowners can also pair these panels with energy storage solutions, such as home batteries, to store excess energy for use during peak hours or in case of power outages.
