

American NT photovoltaic bracket

Overview

NT Heavy-Duty Triangle Bracket: High-strength aluminum alloy solar mounting for flat/sloped roofs. 10-year warranty, 60m/s wind resistance, and tool-free assembly. UL/TUV certified, compatible with global projects. With 10-year quality assurance and 20+ years lifespan, it withstands extreme conditions (60m/s). Mounts for roof, ground, pole and carport mounted solar PV systems at low wholesale prices. Since 1996, Solar Electric Supply has supplied the finest solar panel mounts from reputable manufacturers. For Unirac and ground-mount orders, please email sales@mrsolar.com or. The Global Solar Photovoltaic Bracket Market is experiencing accelerated growth, fueled by large-scale solar installations, supportive renewable energy policies, and increasing investments in utility-scale and rooftop solar projects worldwide. It can also be folded during packaging.
