30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar battery units on wheels. The left stack is labeled '20 Kwh', the middle stack '30 Kwh', and the right stack '50 Kwh'. Each unit has a small digital display on its front panel. The background shows a house with a solar panel array on the roof. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right with a wireless signal icon. Two green callout boxes at the bottom highlight 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
