

Budapest Solar Container Wind-Resistant Product Warranty

Overview

The whole system is covered for 1 year, solar panels for 10-12 years, lithium batteries for 3 years, and inverters for 5 years. Do You Provide Installation Guidance Or O&M Training?

Yes. Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. As a professional service provider in the field of sheet metal. Enable the adoption of Renewable Energy in Hurricane-prone regions through the use of 'Automated, Active-Protection' mounting systems. Please refer to our warranty manual for details. The lightweight, ecologically-friendly aluminium rail system guarantees a mobile solution with rapid availability. Solar panels lay flat on the ground. This position ensures maximum energy of 3,500.
