

Colombia solar outdoor power cabinet transformation manufacturer

Overview

Cut your electricity bill by up to 100% with next-gen solar technology. We design and install systems based on your usage, space, and budget. Certified technicians guide you through the entire process: design, legalization, and monitoring. Since 2017, Entoria has successfully operated 5 MW of projects in Colombia. We offer solar, storage, and other solutions, including wind and mini-hydro, for large-scale commercial, industrial, and utility clients. In the heart of Barranquilla, Colombia, a remarkable transformation has taken place at the Las Trinitarias Event Center. This popular venue, known for hosting a variety of social and corporate events, has taken a significant step towards sustainability by installing a state-of-the-art 63 kWp. Our cabinet based Battery Energy Storage Systems (BESS) are perfect solution for both industrial and commercial applications. Nos respaldan más de 10 años de experiencia. The ESS-GRID Cabinet series are outdoor battery cabinets for small-scale commercial and industrial energy storage, with four different capacity options based on different cell compositions, 200kWh, 215kWh, 225kWh, 241kWh, etc.
