

# Containerized generator set rainproof

## Overview

---

Our units feature fully enclosed container enclosures, delivering windproof, rainproof, dustproof, and noise-reducing performance while enabling easy mobility. Vantek specializes in manufacturing high-performance containerized diesel generator sets, engineered with modular and standardized designs to meet global benchmarks—including ISO8528, CSC certification, and ISO9001/14001/28001 management system standards. The larger footprint of these units allows for more versatility from a manufacturing specification standpoint — we can easily equip your gen set with greater levels of sound. SEA BOX's selection of generator sets can be connected to one or several refrigerated containers to provide reliable power with the need to connect to a local power source. Diesel Generator designed to mount on the front of a refrigerated container. The complete containerized genset can be shipped directly for.
