

Emergency Command Photovoltaic Outdoor Energy Storage Cabinet Grid-connected Type

Overview

The ESS-GRID Cabinet series are outdoor battery cabinets for small-scale commercial and industrial energy storage, with four different capacity options based on different cell compositions, 200kWh, 215kWh, 225kWh, 241kWh, etc. As a leading energy storage system supplier, Megarevo offers compact, integrated cabinet BESS designed for small C&I, hospitals, conferences, and weak power grid areas. They can be widely used in farms, animal husbandry, hotels, schools. SWA ENERGY outdoor cabinets are engineered for harsh environments and long-term outdoor operation. With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids. Sustainable, high-efficiency energy storage solutions.

Emergency Command Photovoltaic Outdoor Energy Storage Cabinet

ESS-GRID Cabinet Brochure EN-250106

The ESS-GRID Cabinet series are outdoor battery cabinets for small-scale commercial and industrial energy storage, with four different capacity options based on different cell compositions, 200kWh, 215kWh, 225kWh, ...
