

Energy storage 104 series liquid cooling pack

Energy storage 104 series liquid cooling pack

104s Pack Battery Energy Storage System with Liquid Cooling

The products are widely used in smart grids, wind and solar power distribution and storage, industrial and commercial energy storage, green transportation, and other fields.

Liquid Cooling Battery Pack LP1P104-314/587-Energy Storage-Energy

Liquid Cooling Battery Pack LP1P104-314/587 is a 1P104S ultra-long structure with high module integration, which is suitable for system integration with higher energy density.
