Solar fence: Green energy for every meter of fence

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

As a vertical photovoltaic system, Solarzaun can be installed along fences, providing both privacy and a substantial source of renewable energy. By strategically positioning Solarzaun, you
