

Founder of Goodway solar inverter

Overview

Richardson, was focused on one thing when it came to technology: Making a difficult, dangerous job safer and more effective for the people doing it every day. Goodway founder, Per K. As Goodway Technologies celebrates its 60th anniversary, we're looking back at the moments that shaped who we are today by listening to those who were there. The company was listed on the Shanghai Stock Exchange (Stock Code: 688390) in 2020, solidifying its corporate reputation as a company that achieves sustainable growth in all markets it. At this year's SNEC event in Shanghai, China, pv magazine took the opportunity to talk with GoodWe founder and chairman, Daniel Huang. He outlined the key PV inverter trends he expects to see over the coming years and discusses growth from a domestic company to a multinational player with offices. In November 2010 the company started operations in Suzhou, China, and the following year released its first solar inverter. In 2015, GoodWe Australia was founded and listed on the Shanghai Stock Exchange in 2020. Our mission is to drive the world towards a sustainable, net-zero energy future by providing innovative and reliable renewable energy solutions.
