

# FuLe New Energy Photovoltaic Panel Company

## Overview

---

Fuli New Energy, a leading energy solutions company, offers comprehensive services in solar, wind, energy storage, virtual power plants, integrated energy, and smart grid management, helping businesses and individuals achieve energy independence and cost savings. Manufacturer of photovoltaic energy systems and components intended to support distributed and utility-scale renewable energy deployment. The company offers solar modules, rooftop systems, and ground-mounted power stations, thereby advancing sustainable energy infrastructure through scalable. Empowering: Create a digital Enterprise Operation Management System platform to enable mergers and acquisitions. Scale: Intensively focus on the new energy market both domestically and overseas. We list all photovoltaic manufacturing. LONGi Solar is one of the largest solar panel manufacturers in the World. The Company is located in the Chinese town of Xi'an in the province of Shaanxi. It is affiliated to SUMEC Group, a subsidiary of Fortune 500 corporation, China National Machinery Industry Corporation Ltd (Sinomach). Under the “dual wheel drive” of technological innovation and brand strategy, PHONO has accumulated.
