What are common types of Charge Controllers?

Find charge controllers at Lowe's today. Shop charge controllers and a variety of electrical products online at Lowes. Showing 1-12 of 18 results.

Morningstar's SunKeeper (SK-12) solar controller provides a low cost regulated output directly from the solar module to maximize battery life in small solar power applications. The SunKeeper is epoxy encapsulated and rated for outdoor use. Designed to regulate the power flow between your solar panels and battery, these controllers ensure efficient charging while protecting your system from overcharging. Ideal for smaller setups, a reliable 12 volt charge.
