

Huawei monocrystalline solar panel models

Voltage range:691.2-947.2V

>6000 cycles(100%DOD)

Rated battery capacity:
216KWH (customizable)

EMS communication:
4G/CAN/RS485

Overview

Detailed profile including pictures, certification details and manufacturer PDF. Detailed profile including pictures, certification details and manufacturer PDF. HUAWEI FusionSolar advocates green power generation and reduces carbon emissions. It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage systems, and microgrids. Solar Panel Series Mono module 125. FutureSolar aiming at becoming "The expert of solar power generation", concentrating on cells, modules and solar power. The kit includes twelve JA Solar 500W Deep Blue 3.0 panels, which are some of the most efficient panels on the market.
