

Industrial inverter 72v

Industrial inverter 72v

72V input inverter, 360VA industrial grade pure sine wave with 72 Volt

Thermostatically controlled fan comes on only when needed. Manufactured in accordance with COTS standard IPC-A-610. Isolated, can be used in positive or negative ground applications. ...

Verified Supplier 72V Inverter 1k+ , Alibaba

Especially in industrial places where AC power is essential to run machines, a

72V inverter can be part of a UPS system to automatically provide power in case there is a power outage from the utility grid.
