

# Installation of new generator wind deflector

## Installation of new generator wind deflector

---

### Installation diagram of new generator wind deflector

The installation of the generator must comply strictly with ICC IFGC, NFPA 37, NFPA 54, NFPA 58, and NFPA 70 standards. Install the unit where air inlet and outlet openings will not become obstructed by ...

### Generator wind deflector

Do wind deflectors improve rotor performance? Wind deflectors in small wind turbines are installed to improve the static torque generated by the rotor; however, in large wind turbines, their applications ...
