

# **Intelligent Photovoltaic Energy Storage Containerized Automatic Type Genuine Product Guaranteed at Market Price**

## Overview

---

The Intech Energy Container — or ECON — is a modular, pre-configured off-grid power solution. It combines solar PV, battery storage, inverters, and energy management in a rugged container. Ideal for autonomous energy supply wherever grid access is unavailable or undesired. Our state-of-the-art Battery Banks seamlessly integrate with PCS units via robust DC lines. Communication with the EMS is flawlessly handled through. Shenzhen Konja Green Power Technology Co., Ltd is one of the leading manufacturers specializing in Battery Energy Storage System, and committed to providing premier one-stop comprehensive & customized solutions, system integration, installation, and maintenance services to customers from all over. Your Solution for Autonomous Energy Supply The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. was invested and built by Suzhou Zhongnan Steel Structure Co. Due to its construction, our solar.

## Intelligent Photovoltaic Energy Storage Containerized Automatic Ty

---

### Smart Containerized Energy Storage Solution for Solar Applications

HYTECH independently develops and manufactures a full range of energy storage products, from residential to industrial and commercial energy storage, to containerized energy storage systems.
