

Kuala Lumpur electricity policy

Overview

KUALA LUMPUR (July 2): The Ministry of Energy Transition and Water Transformation (Petra) is improving access to certified green power by making its Green Electricity Tariff (GET) simpler and cheaper, with a single pricing system and an 80% price cut starting J. KUALA LUMPUR: The implementation of the new electricity tariff schedule starting July 1 is a clear reflection of the major reforms being undertaken by the government, particularly in the national energy sector, says Datuk Fahmi Fadzil. 7 million, and an average increment rate of 1. Hence, renewable energy uptake and innovation in the implementation of energy-efficient. The Energy Efficiency and Conservation Act (EECA) 2024 came into effect on 1 January 2025, marking the enforcement of its provisions. Simultaneously, the Efficient Management of Electrical Energy Regulations (EMEER) 2008 was repealed on the same date. This legislation is designed to propel.
