

# Longi 555W photovoltaic panel price

## Overview

---

Find top-quality longi 555w solar panels with bifacial design, 21.5% efficiency, and 12-year warranty. Click to explore verified suppliers and get the best deals today!. The global solar module market is experiencing robust expansion, with high-wattage panels like LONGi's 555W models driving utility-scale deployments. Current market valuation exceeds \$150 billion annually, projected to grow at 12% CAGR through 2028. Demand is fueled by corporate decarbonization. The LonGi 555W Solar Panel, part of the Hi-MO 5m series (Model: LR5-72HPH), delivers exceptional performance with a power output ranging from 535W to 555W. This module is designed using M10 gallium-doped wafers, smart soldering, and a 9-busbar half-cell configuration. They offer a high power output since they are made from one silicon crystal. 26/WP Contact the supplier about freight and estimated delivery time. Every payment you make on Made-in-China. Claim a refund if your order doesn't ship, is missing, or arrives with product issues. 3% thanks to its half-cut monocrystalline PERC cells.
