

Luxi Microgrid passed the acceptance

Luxi Microgrid passed the acceptance

Eric Zhang (Zhang Chi) on LinkedIn: Effective solution for off-grid

On Decem, the No. 9 unit of Baihetan Hydropower Station of Three Gorges Corporation successfully passed the 72 hour test run and was officially put into commercial operation.

The Study of Sliding Mode Control Strategy for Luxi Island Micro-grid

The paper stated the primary power supply structure of L uxi Island micro-grid and the mathematical models of rectifier and inverter were described, and the nonlinear sliding mode control was applied.

Implementation of a dual-microgrid system with flexible configurations

This work introduces a grid-connected island microgrid in China, Luxi Microgrid, with a flexible system structure and a hierarchical control framework.
