

Manufacturer of Single-Phase Solar Energy Storage Cabinets for Emergency Command Use

Overview

With American-engineered technology, industry-leading surge capacity, and flexible integration across a wide range of sites, Sol-Ark® helps industrial and commercial businesses unlock long-term energy savings and accelerate their decarbonization goals. Continuous reliable power is the best measure of solar energy storage value. unlock your business' energy resilience to lower energy. SOFAR Energy Storage Cabinet adopts a modular design and supports flexible expansion of AC and DC capacity; the maximum parallel power of 6 cabinets on the AC side covers 215kW-1290kW; the capacity of 3 battery cabinets can be added on the DC side, and the capacity expansion covers 2-8 hours. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services. As a professional manufacturer in China, produces both.
