

# Montenegro retail store energy storage

## Overview

---

Montenegro invests €48M in 240 MWh battery energy storage systems to enhance grid stability and accelerate its renewable energy transition. State-owned utility Elektroprivreda Crne Gore (EPCG) has launched an international tender for two commercial and industrial energy storage. August 7 (SeeNews) - Montenegrin state-owned power utility Elektroprivreda Crne Gore (EPCG) said on Thursday it is set to launch a tender for the supply of two battery energy storage systems (BESS) with a total capacity of 240 MWh. The required capacity is drastically lower than in the first call. Main Content: Elektroprivreda Crne Gore (EPCG), the largest state-owned.
