

# Off-grid cost of IP66 battery cabinets for Australian ports

## Overview

---

Our Slimline enclosures range from IP54 - IP66, ensuring that your outdoor installation will stay safe and out of the elements. They have a shallow profile making it easy to position them without encroaching on space. Suits Battery Expansion- As needs or budget allow, it is. Our solar battery cabinets are ideal for off-grid solar panel system, with the capacity to fit up to 10 batteries and options that can house both batteries and the inverter chargers. Ordered some batteries via the online. Save time on-site and provide the customer with a neat, safe enclosure for their solar system installation. Holds up to 4 x LiFe or ECO 2RU 19" batteries. Batteries and battery disconnect are not included.
