

# Outdoor power station factory in Burundi

## Overview

---

About Us: Specializing in energy storage solutions since 2010, we provide customized outdoor power supply housing for solar farms, telecom projects, and industrial applications across East Africa. Our ISO 9001-certified factory supports both domestic and export markets. With only 12% electrification rates in rural areas (World Bank 2023), Burundi's growing demand for outdoor power solutions has transformed the energy storage sector into a critical industry. As renewable projects accelerate, quality enclosures will remain pivotal to achieving reliable, long-term power. This article lists all power stations in Burundi. Ruzizi I is owned and operated by Société Nationale d'Électricité (SNEL) of DRC, which sells electricity into Burundi's grid. When it comes to outdoor power.
