

Photovoltaic industry battery panel cage

Overview

The battery enclosure contributes to the structural and safety aspects of the body in white while protecting high-voltage batteries from damage and water. These complex assemblies are available in steel, aluminum, and multi-material configurations including lightweight composites. We will supply the best enclosures for your business, shipping worldwide. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. • The standard finish is a bright white polyester powder-coat inside and out (other colors available) • Pole-mounted battery boxes feature two 7/8" diameter wire holes, hinged front door with PORON door gasket, removable component mounting plate, supplied with u-bolts for pole (if specified) We can. DDB Enclosures designed, engineered and manufactured for solar applications.

Photovoltaic industry battery panel cage

Solar Battery Enclosure

This is perfect for outdoor industrial and marine applications of solar power. KDM waterproof solar battery enclosures protect batteries against vandalism, ingress of hose-down, splashing water, oil and coolant.
