

Photovoltaic solar panel lifting recruitment

Overview

Our contract and direct hire recruiters help top talent at every stage of their job search. Whether you're searching for full-time or temporary work, Airswift can help you find the right role for your career goals and skill set. Would you like to find out how Airswift can support you. LSP Renewables is a specialist solar recruitment agency delivering end-to-end photovoltaic staffing and renewable energy talent acquisition. We deploy solar engineers, project managers, O&M specialists and commercial leads across greenfield development, EPC execution and long-term operations. Fuelled by climate instability, rapid technological advancement, and spiking consumer adoption rates, the solar energy market. This is where ergonomic solar panel lifting equipment makes all the difference, protecting both people and products throughout the value chain. Everyone can lift and tilt large solar panels, powered by vacuum technology.
