

Replacing a breaker for sale in Saudi-Arabia

Overview

We are a one-stop service shop for switchgear, transformers, circuit breakers, protective relays, motor controls, unit substations, parts, and repair, upgrade, life extension and maintenance services. Serving the entire middle east from Al-Khobar, Saudia Arabia, we specialize in the sale and service of low and medium voltage power distribution equipment. Alfamar's main focus is on producing electrical construction goods, providing EPC solutions for both traditional and renewable power plants, delivering related engineering. Explore circuit breakers, the foundation of safe power distributions and the main protection from electrically-caused fires. Circuit breakers are electrical safety devices designed to protect an electrical circuit from damage caused by overloads or short circuits. Price and other details may vary based on product size and colour. Only 2 left in stock - order soon.
