

Samoa Off-Grid Energy Storage Battery Plant

Overview

The Fiaga Power Station - Battery Energy Storage System is a 6,000kW energy storage project located in Samoa. The project was commissioned in 2018. EVLO Energy Storage, a fully integrated battery energy storage systems (BESS) provider and wholly owned subsidiary of Hydro-Québec, on April 15 announced the company has completed commissioning of a 4-MW/8-MWh, 2-hour duration energy storage system, the first of three projects in American Samoa. This isn't just another battery project;
