

Selection of solar container lithium battery container

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white lithium battery containers on wheels, positioned in front of a house. The units are labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. The 20 Kwh unit consists of three modules, the 30 Kwh unit of four, and the 50 Kwh unit of five. The background shows a house with a grey roof and a clear sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right with a wireless signal icon. Two green callouts at the bottom highlight 'Thick shell, well protection for inside cells' and 'BMS customization supported'.

Selection of solar container lithium battery container

Why You Should Invest in a Lithium Battery Storage Container

For homeowners with solar panels or other renewable energy systems, a lithium battery storage container offers a reliable way to store energy for later use. It ensures uninterrupted power ...
