

# Small energy storage liquid cooling supplier

## Overview

---

Our liquid-cooled storage solutions—including the XH-BESS215kWh, XH-BESS232kWh, and XH-BESS261kWh—scale up to 5MWh, serving microgrids, power plants, industrial parks, data centers, telecom stations, and commercial buildings. GSL Energy is a leading provider of green energy solutions, specializing in high-performance battery storage systems. Ranging from 208kWh to 418kWh, each BESS cabinet features liquid cooling for precise temperature control, integrated fire protection. The 261kWh liquid-cooled BESS is an advanced outdoor energy storage cabinet designed for commercial and industrial applications. 75C, thereby accommodating most working conditions.
