

# Solar power station box-type transformer container

**51.2V  
200Ah/300Ah  
LiFePO4 battery**

## Solar power station box-type transformer container

---

### JUPITER-9000K/6000K/3000K-H1 Smart Transformer Station

...

Frequency 50 Hz or 60 Hz Transformer  
 Type Oil-immersed, Conservator Type  
 Transformer Cooling Type ONAN  
 Transformer Tappings  $\pm 2 \times 2.5\%$   
 Transformer Oil Type Mineral Oil ...

### Container transformer stations

Prefabricated Transformer Substations  
 ZPUE Substations  
 Transformer Substation with Integrated Energy Storage  
 Individual Approach and Flexibility  
 Compact substations are made in the form of a ready-made enclosure equipped with all the basic electrical equipment: transformers, MV switchgear, LV switchgear, internal installations. Such substations differ in terms of dimensions, types of housing (e.g. concrete housing, metal housing), and interior equipment. In addition, they can have external See more on zpue brunstock

### Step up transformer substations for photovoltaic (PV)

See More

A Brunstock step up substation integrates a ring main unit (MV switchgear), a power transformer, a low-voltage cabinet and an auxiliary power supply into a steel container. This product ...
