

Sukhumimen solar container manufacturer

Overview

In July 2025, SunContainer Innovations launched its latest solar container system with 35% higher energy density and 20% longer lifespan. All above our solar products have been approved by the TUV, TCT, CE, UL for EU and US standards. The Complete Professional. SCU provides 500kwh to 2mwh energy storage container solutions. What is energy storage container?

SCU uses standard battery modules, PCS modules, BMS, EMS, and other. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar energy while at the same time being compact in design, easy to transport and quick to set up.

Sukhumimen solar container manufacturer

Test certification
CE FC

Sukhumi Industrial solar container battery Enterprise

Solar Container Energy Storage System 1mWh Lithium Battery Furthermore, our Solar Container Energy Storage System enables seamless integration with solar and wind energy applications.
