

Yemeni outdoor energy storage power supply manufacturer

Overview

With over 60% of rural Yemeni households lacking reliable electricity, local manufacturers like Yemen Energy Solutions and GreenPower Yemen are stepping up with lithium-ion and advanced lead-acid batteries tailored for harsh climates [1] [6]. Actes is the leading company in Yemen for renewable energy solutions and storage systems 8 years of long experience in the field of residential, commercial, industrial, agricultural projects and energy storage systems More than 500 kilowatts of energy storage systems projects and more than 100. In response to the rapid evolution of the energy sector, Naif Falcon Trading stands at the forefront of sustainable energy solutions, offering a comprehensive portfolio of products from its headquarters in Dubai. As an authorized distributor for world-leading brands—including Longi solar panels. We are Alnasr Solar For Energy Solutions, the official and authorized agent in Yemen and Oman for JINKO SOLAR, a global leader in the production of solar panels, energy storage systems, and lithium batteries.
