

Yingli photovoltaic panel code query

Overview

This code is your key to verifying the authenticity of your Yingli solar panel, so handle it with care. This manual applies to photovoltaic modules (“PV modules”, also commonly known as solar panels) manufactured by Yingli Energy Development Company Limited (“Yingli Solar”), and is explicitly written for qualified professionals (“Installer” or “Installers”), including without limitation licensed. Step 1: Locate the Security Code Sticker To start the verification process, locate the security code sticker on the back side of your Yingli solar panel. We have chosen Yingli Solar Panels for our complete systems due to their module quality, performance, and company financial health and stability. What is included in the Yingli solar installation manual?

This manual contains important information pertaining to the before handling, installing, and/or maintaining Yingli Solar PV modules.

Yingli photovoltaic panel code query

Yingli Photovoltaic Polycrystalline Panel Specifications

Do Yingli Solar PV modules corrode? Although some types of Yingli Solar PV modules have passed the IEC 61701 salt-mist corrosion test with a salt concentration of 5% by weight, ...
